

PRODUCT CATALOG

About us

Enpak was established in 2011, and we keep up with the latest technology and equipment aimed for producing the highest quality and safest food containers.

Our food service packaging containers are meeting USA FDA food-grade and EU regulation safety standards.

We carry out superior quality control on our production lines to ensure quality consistency.

CERTIFICATE

ENPAK ENTERPRISE CO., LTD.

Packaging containers are meeting USA FDA food-grade and EU regulation safety standards.

TÜV Rheinland

Global market safety certification,
in line with international safety standards.

SGS Taiwan

Our products have been inspected by SGS,
and the quality is guaranteed.

BPI

Biodegradable Products Institute (BPI)
North America's leading certifier
of compostable products and packaging.

Kraft Paper Rectangular Containers

Double PE coated - Single-piece construction

Compared to the traditional two-piece design, which has the potential risk of leakage at the seam, this one-piece-formed structure provides enhanced protection against it.
